VERSAFIT ™
HIGH IMPACT GYM FLOORING TILES

VersaFit™ Gym Tiles are the ultimate no-compromise flooring solution for 21st century fitness spaces or weight rooms.

Made from recycled tire rubber and engineered to handle heavy-duty wear, VersaFit™ provides outstanding durability, flexibility, comfort and slip-resistance.

BUILD YOUR TRAINING SPACE RIGHT FROM THE GROUND UP

-  Highly durable rubber with the lowest-possible abrasion properties
-  Permanently elastic for maximum comfort
-  Sound & vibration deadening
-  Anti-static and slip-resistant
-  Environmentally friendly – made from 90% recycled materials
-  Safety first – VersaFit is VOC compliant, halogen-free, formaldehyde-free and phthalate-free
-  Anti-microbial treated – easy to clean and easy to maintain.
-  Usable indoor and outdoor

Tested to the highest standards, by:

USSL
UNITED STATES
